

## Camera Ready Paper Preparation and Submission:

### Paper Style and Formatting:

- Paper must be single-spaced, double column, and font size should not be smaller than 9-pt.
- Camera ready papers must comply with ACM Conference Proceedings format, Option 2: *Tighter Alternate Style*
- We strongly recommend authors to use ACM templates available at: <http://www.acm.org/sigs/publications/proceedings-templates>
- Authors should apply ACM Computing Classification categories and terms: <http://www.acm.org/about/class/1998>
- Make sure to include the required permission block, conference location, and ISBN. ICST is the sole copyright holder for the proceedings and corresponding ISBN for BodyNets2010 proceedings is: 978-963-9799-41-7

### Page Limit:

- Regular Papers: maximum 7 pages
- Poster Presentations: maximum 4 pages
- Demo Presentations: maximum 4 pages

### Page Numbers:

- Please do NOT include page numbers on your final submission. Page numbers will be added when the proceedings is prepared.

### References:

- References should follow the same style as ACM templates.

Please direct your questions or concerns regarding final camera-ready specifications to Foad Dabiri ([dabiri@cs.ucla.edu](mailto:dabiri@cs.ucla.edu))

### ***Submission process:***

Submission instructions for final camera-ready papers have been emailed to the corresponding authors. Here is a summary:

**Step 1** - Log into ASSYST to set your profile

If you have not used the ASSYST paper submission system before, please go to the following webpage to set up your profile first:

<http://assyst-online.org/proceedings/register.php>

If you are a previous user but do not remember your password, please go to: <http://assyst-online.org/pwdrecover.php>.

**IMPORTANT:** If you are only one of the co-authors who is NOT responsible for uploading the accepted paper, you will still have to set your profile BEFORE the camera-ready deadline otherwise you may not be listed among the co-authors in the proceedings.

**Step 2** - Register for the conference at a NON-STUDENT rate please go to the Registration section of the conference website and use the online registration link to register for the conference.

**IMPORTANT:** For each accepted paper at least one author must register for the respective event at A NON-STUDENT rate, even if all authors are students. One registration payment covers up to two papers for those authors who have multiple papers accepted to the conference.

**Step 3** - Upload your paper to ASSYST by 21 June 2010.

To complete the process and upload your camera-ready paper, please go to the URL below. Log in with your credentials that you have set up in Step 1 and upload your paper. ASSYST URL: <http://assyst-online.org/proceedings/>

**IMPORTANT:** When uploading the camera-ready version, please make sure to add your co-authors in the same order as they appear in the file.

Should you have any further questions, please do not hesitate to contact us at [assyst@icst.org](mailto:assyst@icst.org).
